Due to the detail of customization, orders can be placed only by calling the customer service department at 800-358-1001. You will need to provide the size, orientation (horizontal or vertical) and colors of your logo. You will be given an order number that you will need to use when sending us your artwork. We can not use drawings, photographs or patches as artwork. You can either mail or email your artwork. Emailed artwork needs to be sent in EPS, PDF, JPEG or GIF format with a minimum resolution of 300 DPI. Once they have your artwork it takes approximately 2 weeks to have a proof made. You will need to approve the proof before the mat can go into production. Once they have your approval it takes approximately 10 business days to ship.
